

INTERGENERATIONAL EVENTS

Saint Andrew Parish shares God's love and mercy across intergenerational and multicultural lines. Our intergenerational events nurture community by bringing together people of all ages to celebrate the faith. We have five intergenerational events scheduled in 2016-2017. Each event celebrates a special season in our liturgical calendar. We believe that sharing our faith stories across generations and fostering creativity are strong ways to create lifelong disciples. Come join us for these prayerful and joyful experiences! All parishioners are invited. Mark your calendars with the dates for the Sundays below:
