NEXT MEETING IS FRIDAY, MARCH 3rd 2017

Our Lady has continued to show us through the apparitions in Lourdes and Fatima that she is calling our children to prayer and in a special way the rosary. Our Lady of Fatima chose to convey messages to the world through children. With the beautiful guidance of Our Blessed Mother let us follow her example and bring our children to her. Through her Rosary she will draw them close to her Immaculate Heart and protect them from the harshness of the world. She will also sanctify families and parishes in this way.
