All volunteers must be fingerprinted and compliant with Safe Environment Training (VIRTUS).

Probationary Period: All students are on a 60 day probationary period to ensure our program is a good fit for your child and family. After 30 days, the child's parent/guardian will be advised verbally and in writing about the child's behavior and will have a 30 day period of time to work on the child's behavior. Failure to satisfy these expectations may determine that our program is not a good fit for your child.
